EU TYPE – EXAMINATION CERTIFICATE

No. 3547/R1/EIP/23.06.2025

1. This certificate is issued for:

- **Type (model) of PPE:** Combined full body harnesses, models DYNAMIC 4 Classic and DYNAMIC 4 Automatic
- **Type designation:** «DYNAMIC 4 Classic or DYNAMIC 4 Automatic»
- **PPE category:** category III PPE – Equipment's against falling from a height
- **Manufacturer:** EDGE SAFETY EQUIPMENT B.V., Anodeweg 52, 4338 RA Middelburg, The Netherlands, Registered at Companies House under No. 000030400457

2. General references and applied procedure for conformity assessment/applied certification scheme: Regulation (EU) 2016/425 of the European Parliament and of the Council of 9 March 2016 on personal protective equipment and repealing Council Directive 89/686/EEC, annex V "EU type-examination (Module B)"

3. Conclusions of the conformity assessment: Following the carrying of the conformity assessment, the notified body attests that:

- the technical design of the PPE meets the requirements of the Regulation (EU) 2016/425 that apply to it, taking into account the intended use claimed by the manufacturer and specified in the annex of this certificate;
- The PPE type complies with the applicable essential health and safety requirements set out in Annex II of the Regulation (EU) 2016/425, which apply to it, taking into account the intended use claimed by the manufacturer and specified in the annex of this certificate;
- PPE conforms to the following harmonized standards: SR EN 361:2003 (EN 361:2002) + SR EN 358:2019 (EN 358:2018) – all the corresponding requirements for full body harnesses with work positioning belt; SR EN 365:2005 (EN 365:2004) + SR EN 365:2005/AC:2007 (EN 365:2004/AC:2006) – for the manufacturer's instructions and information

4. Validity of the certification:

- Date of expiry of the certificate: 12.05.2030.
- This certificate is valid only with Annex, as an integrated part of the former.
- The object of this certification is classified as category III PPE and consequently this certificate is to be used only in conjunction with an in force document issued by a notified body containing a statement that the PEE is submitted to one of the conformity assessment procedures referred to in point (c) of Article 19 of the Regulation (EU) 2016/425.
