EU TYPE-EXAMINATION CERTIFICATE No. 3966/EIP/09.02.2026

1. **This certificate is issued for:**
- **Type (model) of PPE:** Fall arrest device with retractable lanyard and energy absorber, model EDGE SRL (variant: EDGE TWIN SRL)
- **Product designation:** 'EDGE SRL or EDGE TWIN SRL'
- **PPE category:** Category III PPE – Personal protective equipment against falls from a height

- **Manufacturer:** CORTINA NV-SAFETY JOGGER., Meersbloem-Melden 42, 9700 Oudenaarde, Belgium, Company Registration Number: BE0456917411

2. **General references and conformity assessment procedure/certification scheme applied:** Regulation (EU) 2016/425 of the European Parliament and of the Council of 9 March 2016 on personal protective equipment and repealing Council Directive 89/686/EEC, Annex V 'EU type examination (Module B)'

3. **Conclusion of the conformity assessment:** Following the application of the procedure, the body certifies that:
   - the technical design of the PPE meets the requirements of Regulation (EU) 2016/425 applicable to the type of PPE, taking into account the intended use declared by the manufacturer and specified in the annex
   - the PPE meets the essential health and safety requirements set out in Annex II to Regulation (EU) 2016/425, as applicable taking into account the intended use declared by the manufacturer and specified in the annex
   - the PPE complies with the following harmonised European standards:
     - SR EN 360: 2003 (EN 360: 2002) – all mandatory requirements for the assembly (retractable fall arrester with integrated energy absorber);
     - SR EN 365:2005 (EN 365:2004) + SR EN 365:2005/AC:2007 (EN 365:2004/AC:2006) – for instructions and information.

4. **. Validity of the certificate:**
   - Certificate expiry date: 31 October 2028.
   - The certificate is valid only when accompanied by the annex, which forms an integral part thereof.
   - As the PPE covered by this certification falls within risk category III, the certificate shall only be used in conjunction with a valid document issued by the notified body certifying that the production of the PPE is subject to one of the conformity assessment procedures referred to in Article 19(c) of Regulation (EU) 2016/425.
