112

**Hybrid design**  
A hybrid design to balance insulation and freedom of movement.

**Breathable**  
The fabric allows moisture vapor to escape, keeping you dry during physical activities.

**Durable ripstop fabric**  
This item is made from ripstop fabric. It is designed to resist wear and tear through a special textile fiber-weaving technique.

**Recycled materials**  
This item is made from recycled materials. By choosing clothing made from recycled materials, you are supporting sustainable and clean production practices.
