Air vent system
This item has zippered vents under the armpits to help you get rid of excess body heat.

Breathable
The fabric allows moisture vapor to escape, keeping you dry during physical activities.

Comfort fit
An ergonomically perfect fit offers significantly more freedom of movement.

Durable ripstop fabric
This item is made from ripstop fabric. It is designed to resist wear and tear through a special textile fiber-weaving technique.

Recycled materials
This item is made from recycled materials. By choosing clothing made from recycled materials, you are supporting sustainable and clean production practices.
